Comments regarding Teaching Assistant

All TA's explained very well, and gave me one on one help when I needed it.

Jenny sat with me one on one to help me understand Reresi which really helped.

Comments regarding Teaching Assistant

Jenny - is pretty good for a beginner TA, maybe could structure class better for more efficiency and rely on textbook less. a lot less.

Comments regarding Teaching Assistant

She is really nice & patient. Most of the time she's good, but sometime, she stick with only one student for a long time ~~and~~ which makes her hard to reach.

But overall, she's good.

Comments regarding Teaching Assistant

Always willing to help and provide support outside of tutorials. Offered good tips on how to overcome blocks and taught me how to debug well.
